## **CBIZ & Mayer Hoffman McCann P.C.**

In today's economic climate with rapidly developing new markets, improved communications, and greater international mobility, successful businesses operate on an increasingly global scale.

### **Professional Service Across the Globe**

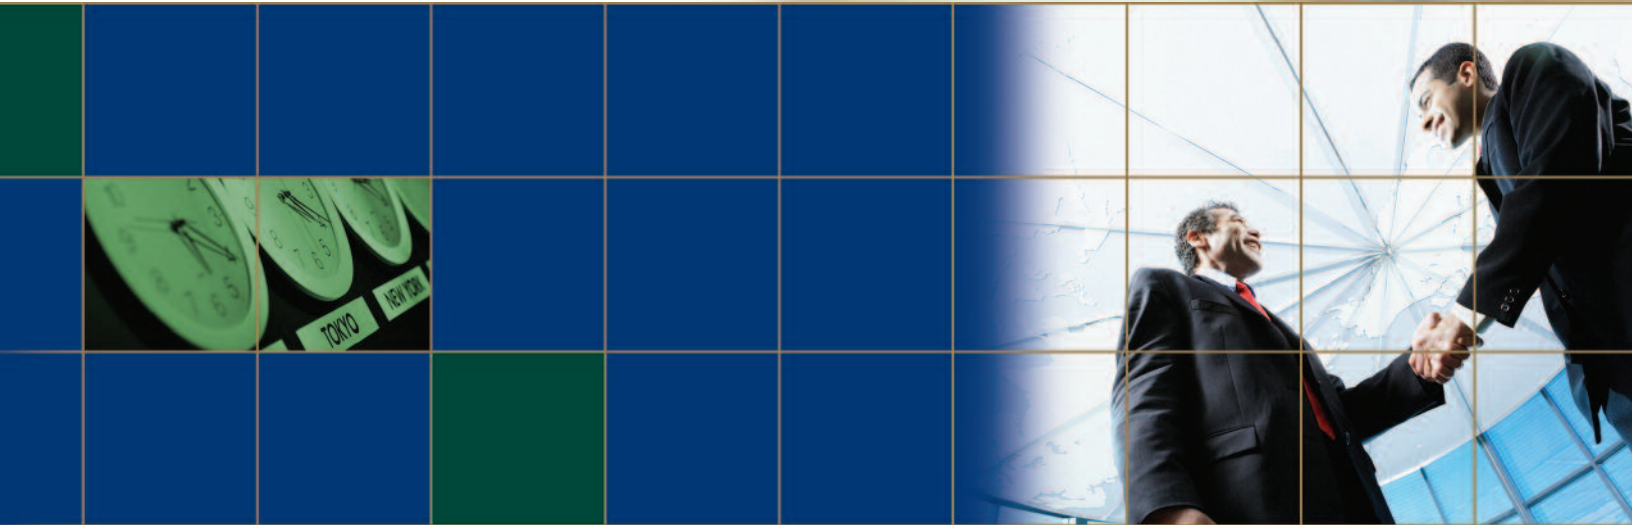

**A**s members of Kreston International, CBIZ and Mayer Hoffman McCann P.C. provide you with access to experienced, independent accounting and business advisory firms to meet your international accounting needs in over 70 countries.

Kreston International, one of the largest accounting networks in the world according to *International Accounting Bulletin's* 2004 world survey, is renowned for the quality and geographic spread of its members. The network was founded in 1971 to offer clients reliable and convenient access to quality services through member firms located around the globe.

### **A Full Range of Services**

Whatever your business, accounting, and consulting requirements, a Kreston member will be there to provide expert support. Where appropriate, member firms find and work in close cooperation with other specialists. Each Kreston member is an independent practice with sole responsibility for its own work, staff, and clients. You are assured of service continuity and personal attention at all times. The strong network of independent firms around the world adds a powerful extra dimension to this personal service by providing 24 hour global coverage.

*Whether you are entering the international business arena for the first time or building upon an existing global enterprise, Kreston International members are there to offer you extensive professional services with the same high quality and personal service that CBIZ and MHM P.C. provide.*

### **Bridging National & Cultural Divides**

The first-hand knowledge of local regulations and customs provided by your Kreston member firm can give your organization an invaluable competitive advantage in the world marketplace. Working with an established firm in your destination country, you can take advantage of their contacts and local reputation. If international jurisdictions complicate the issue, individual Kreston members can call upon the support of the worldwide network to provide a swift, appropriate solution.

By choosing a Kreston International member, you have reduced the learning curve and the risk when entering new markets. And, you maintain control through one-to-one contact with the local Kreston member.

### **Consistent Quality**

Kreston's membership is dedicated to providing clients with the highest quality expertise and work standards, as well as a commitment to personal service. You can rest assured that the Kreston network is comprised of like-minded firms, whose professionalism is based on integrity, honesty, transparency, and the desire to offer an unmatched level of service. The name "Kreston" was taken from the ancient Greek word meaning "Trust" or "Faith" – a quality that, to this very day, is strongly imbedded in all of Kreston members' core values.
